

## [Welcome to Heather Glen at The Legends Golf Club](#)

Heather Glen is located in Franklin's charming college town, which offers amazing shopping, dining, and recreational activities and is only 20 minutes from downtown Indianapolis or downtown Columbus, Indiana. Epcon Communities, Heather Glen, is tucked in between the Road and Middle 9-hole courses of the famed Legends Golf Club of Indiana. This well renowned golf course is home to many of Indianapolis state tournaments. The Legends is an award-winning golf course featuring 27 championship holes, an 18-hole Par-3 course, and offers an excellent driving range and practice green.

Besides the prime location that Heather Glen provides, these new homes are located in a gated community with a peaceful golf course setting that makes you feel worlds away. At Heather Glen, you will enjoy maintenance free living at its finest. All of trash, exterior maintenance, landscaping, and snow removal to your door are all taken care of for you. Residents are also welcomed to use the Heather Glen at the Legends community clubhouse and exercise center. In addition for a small fee, residents may use The Legends Golf Club swimming pool.

Each one of these Franklin new homes for sale are completed with an European Country exterior, warm cultured stone, and Hardi-Plank siding. Epcon Communities pays a great deal of attention to every detail to make sure each new home is designed to resemble one large single-family residence from every perspective. Not to mention that every home for sale is carefully placed to make sure each home has some view of the breathtaking golf course. Phase II construction started in 2014 and we are taking lot and home orders for delivery in 2017 and beyond.
